Terms and Conditions: PACCAR Engine extended warranty plans can be purchased in yearly and 100,000 MI. (160,000 KM.) increments. Plan coverage durations and mileages vary with engine horsepower and intended service. Consult with your PACCAR Engine distributor at time of ordering for details. This document is to be considered a summary of coverages and to be used for reference only and is not a binding document. For full warranty coverage details, the respective legal document should be referenced.

Select components classified as Emission Related Parts by the U.S. Environmental Protection Agency are covered to 5 YRS./100,000 MI.
