

**PACCAR ENGINES**

# MX-11

## EPA 2021

### **UPTIME**

MX-11 engines are built for durability, with multi-million-mile endurance testing. Every MX-11 comes standard with remote diagnostics to deliver focused uptime support.

### **EXCELLENT FUEL ECONOMY**

With ratings of up to 445 HP and 1,700 LB.-FT. of torque, downsizing for fuel economy no longer means compromising performance.

### **LOW COST OF SERVICE**

With a 75,000-mile oil change interval, MX engines will save your business money due to the low cost of routine maintenance over the life of the engine.

### **WEIGHT SAVINGS**

Weighing 300 LBS. less than a 13 L. engine, the MX-11 can haul more payload.

### **SUPERIOR PERFORMANCE & QUIET OPERATION**

An MX engine has broad torque curves, so it requires less shifting, and the quiet operation improves the driving experience.
